# Assign Books to Students

*Once assessments are completed, books **are automatically assigned to students**. Sometimes, however, teachers still wish to assign specific books that go with what they are teaching.*
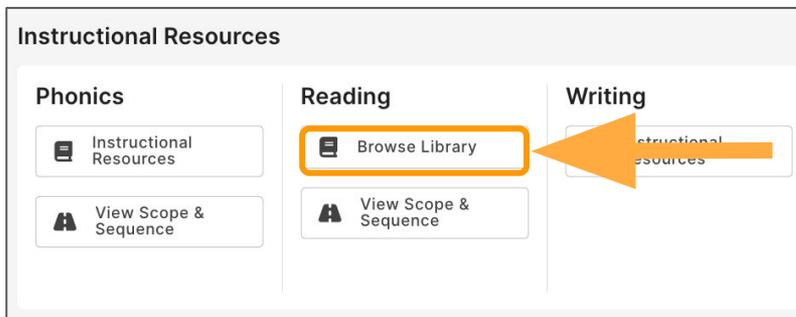

*Students will be able to recognize books assigned by teachers because of the prominent, blue outline and the word "Assigned".*

# Assign Books to Students

## Step 3

Once you have selected the book you want to assign, click "ADD TO BAG". You can choose multiple books.
Then click on "Create Assignments"
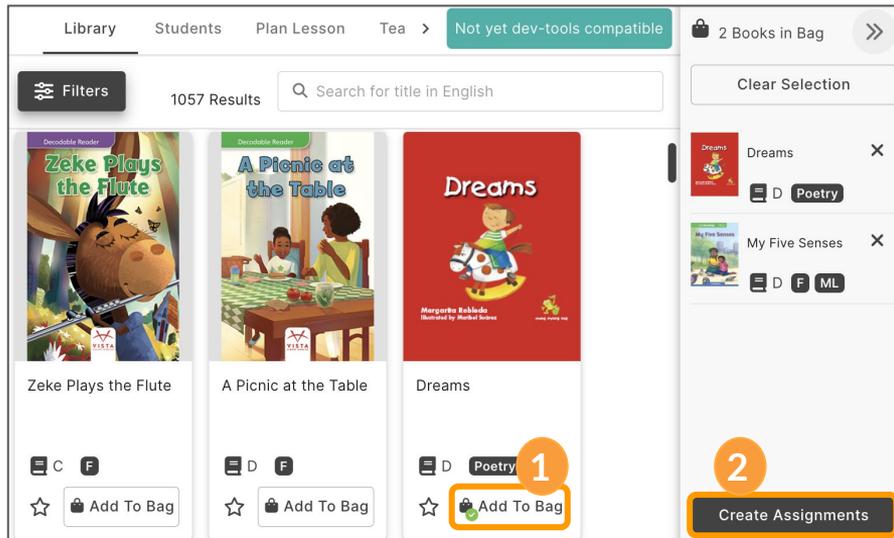

## Step 4

Once you can see your students, click the box to select all. You can also click one student.
Then click "Bulk Assign" and select the book/books you would like to assign. Click "Submit"

**Main Menu**
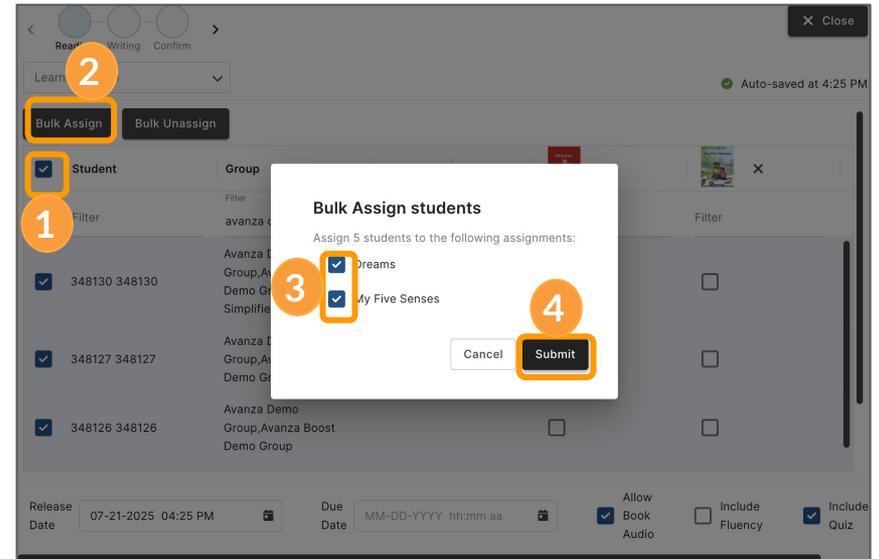

# Assign Books to Students

## Step 5

Review the release date, set a due date and check the other options if needed. You can also "Include Quiz" if available. If you would like your students to record themselves reading the book, select "Include Fluency". Then click "Next".

## Step 6

If you have access to Writing, "Skip" the writing assignment.
Once you review the Assignment to check the right books are assigned to the right students, you can click on "Create Assignment"

# Check Student Assignment Status

## Step 1

Go to "Library" under Instructional Resources

## Step 2

Go to "Activity History" under "Students".
You can see all the assignments for the students in your class. You can view the Book Status, quiz results and listen to students' Fluency practice if you assigned it.
