Level Learning now serves over two-thirds of all the Mandarin DLI programs across the United States. Most of the DLI programs have been implementing Level Learning for multiple years and the quality of implementation has continue to improve. Based on the data collected, these are the end of year reading level benchmarks.

Grade	Kinder	G1	G2	G3	G4	G5	G6	G7	G8
End of Year Reading Comprehension by Text Complexity Levels	C	E	F	G	H	I	J	K	L

We were able to collect student home language data from approximately two-thirds of the students involved in the above benchmark study.
